**SEIS CIRCLES**  
RED WINE 2010  
50% Tempranillo - 40% Grenache - 10% Syrah

Our red wine has been created from a unique blend of Tempranillo, Grenache and Syrah grapes, harvested from age-old vines in high-altitude vineyards due south of the Pyrenees. Combined with a dry Mediterranean climate, long hours of sunshine, stony soils and a privileged location in northern Spain, all the essential ingredients have been found for wines full of character and quality. The result is an intensely fruity, smooth and full-bodied wine, typified by aromas of blackberries, blueberries and cassis, and with a slightly peppery finish. This wine is soft enough to be enjoyed on its own, but also makes an ideal accompaniment to red meat and other hearty food.
